CK -INCENSE PRODUCTS

Chevx Ó Keratin is a premium hair cosmetic brand inspired by the vibrant beauty culture and rich traditions of Brazil. Rooted in the country's lush landscapes and diverse heritage, we craft high-quality hair care products that celebrate and enhance natural beauty.

At the heart of our brand is a commitment to harnessing the power of authentic Brazilian botanical ingredients—such as açai, Brazil nut, and passion fruit—renowned for their nourishing and revitalizing properties. Each formulation is carefully developed to bring out the best in every hair type, from curly and textured to straight and fine.

We take pride in sustainably sourcing our key ingredients. By working directly with local farmers and cooperatives, we ensure that our products are not only highly effective but also socially responsible and environmentally conscious.

Our dedication to quality extends to every stage of our production process. We prioritize eco-friendly and cruelty-free practices, ensuring our products remain gentle on the planet as well as on your hair. All our formulations are free from harmful chemicals, including sulfates, parabens, and silicones, reflecting our commitment to safe, clean, and wholesome beauty solutions.

Innovation and performance are the cornerstones of our brand. Our expert team of hair care specialists and chemists continuously strive to develop advanced formulas that deliver exceptional results—whether it's enhancing curls, taming frizz, boosting shine, or restoring damaged hair.

Our comprehensive product range includes shampoos, conditioners, oils, treatments, and more, designed to meet a wide array of hair care needs with precision and effectiveness.

In essence, Chevx Ó Keratin is a celebration of Brazil's natural beauty, cultural richness, and unwavering commitment to sustainability. We invite you to experience the transformative power of our products—each infused with the true spirit of Brazil—and embark on a hair care journey as vibrant, enriching, and diverse as the country that inspires us.

Incense i1 *Hair Re-bond*

Incense Hair Smoothing Cream is a salon-grade solution crafted for coarse, resistant hair that craves control and softness. Its advanced formula penetrates deep into the hair shaft to relax unruly texture, reduce frizz, and restore natural shine. Enriched with conditioning agents and a balanced pH, it helps seal the cuticle, locking in moisture and enhancing manageability. The result is smoother, sleeker hair with a healthy, polished finish. Ideal for those seeking long-lasting smoothness without compromising hair health, this cream transforms even the most stubborn strands into soft, silky, and salon-refined locks.

Available in 500ml only

Incense i2 *Hair Re-bond*

Incense Neutralizing Cream is a professional-grade solution for coarse, resistant hair. It effectively neutralizes chemical residues while smoothing frizz and restoring shine. Ideal for post-treatment care, its advanced formula works in synergy with Incense Smooth Mask to enhance manageability and reduce brassiness. The slightly acidic 4.5pH helps seal the cuticle, allowing conditioning agents to bond deeply and lock in color. Whether used alone or blended with the mask for extra smoothing, it delivers salon-quality results with minimal effort. This all-in-one cream simplifies your routine by combining neutralization, smoothing, and care—perfect for achieving sleek, healthy-looking hair.
